## Imagine

Melodie von John Lennon: Imagine

Imagine there's no Windows,  
It's easy if you try.  
No fatal errors or new bugs  
To kill your hard drives.  
Imagine Mr. Bill Gates  
Leaving us in peace!  
Imagine neverending hard disks,  
It isn't hard to do.  
Nothing to del or wipe off  
And no floppy too  
Imagine Mr. Bill Gates  
Sharing all his money.  
You may say I'm a hacker,  
But I'm not the only one.  
I hope someday you'll join us  
And your games will fit in RAM  
Imagine 1-Giga RAM I wonder if you can.  
No need for left-shifts or setups  
And no booting again and again.  
Imagine all the systems  
Working all life-time!  
You may say I'm a hacker,  
But I'm not the only one.  
Maybe someday I'll be a cracker  
And then I'll make Windows run.
